Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Hudson on Tuesday, the 14th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvement of town roads.
4. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.
5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.
6. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.
7. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various Cemetery lots.
8. To see if the Town will authorize the Selectmen to administer or dispose of real estate taken by the Town for taxes.
9. To see if the Town will authorize the Selectmen to accept W. P. A. projects.
10. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

11. To see if the Town will vote to observe Old Home Week and raise and appropriate money for the same upon request of the Old Home Week Association.

12. To see if the Town will vote to raise and appropriate a certain sum of money for forest fire fighting equipment upon request of the State Forestry Department.

13. To see if the Town will vote to pay to the Auditors the sum of \$25.00 per year.

14. To see if the Town will vote to adopt the provisions of the Municipal Budget Act, upon petition of R. H. Hardy and others.

15. To see if the Town will vote to authorize the Selectmen to request the State Tax Commission to reassess the Town of Hudson as of April 1st, 1939, with reference to down timber.

16. To see if the Town will vote to accept State Street and Alpine Avenue, so called upon petition of Walter G. Jean and others.

17. To see if the Town will vote to install three Street Lights at the following places at Riverside Pines, Cross Street at Andrews Ave., Porter Ave., at Andrews Ave. and Riverside Ave. at Bungalow Ave. upon petition of William Galesky and others.

18. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the purpose of re-surfacing and tarring approximately 1100 feet on the Belknap Road beginning at the junction of the Lowell Road at Provencal's Filling Station, so called upon petition of Webster W. White and others.

19. To see if the Town will vote to authorize the Selectmen to issue serial notes in the amount of \$2,000 each for 6 years to cover overdraft of 1939 due largely to Relief, Storm and Hurricane.

20. To see if the Town will appropriate a certain sum of money to repair the road known as the Dugway on Barrett's Hill so called or vote to close the same by gates and bars.

AID TO SOLDIERS

Town Veterans & their Families Assisted	618.15
---	--------

OLD AGE ASSISTANCE

Paid State of N. H. for Old Age Assistance	1,269.67
Owed to County \$1,996.93	

Note: Under the present law all Old Age Assistances cases are under the direct supervision of the State Welfare Department and the cost is divided as follows:

Federal Government	50%
State	25%
Town of Hudson	25%

The above represents 31 cases chargeable to the Town of Hudson, one of which was transferred to the City of Nashua in Jan. 1939, making the net cases in Hudson 30.

Note: It is unlawful to print the names of veterans or wives of veterans and also those on Old Age Assistance in any Town report.

So much has been and is being said relative to the cost of relief that the Selectmen have prepared the following statement based on the costs for the month of November, 1938.

For the Entire State

Persons	Cost	Ave. per person
38,785	\$374,003.00	\$9.62

County Cases in the Town of Hudson

Persons	Cost	Ave. per person
219	\$2,002.99	\$9.19

Direct Town of Hudson Cases

Persons	Cost	Ave. per person
70	\$600.38	\$8.57

It will be noted that the County case cost per person in the Town of Hudson is \$.43 below the State average while Town cases are \$1.05 less than the average for the entire State.

Any constructive suggestions as to how to reduce the cost of relief will be welcomed by the members of the Board of Selectmen.

A considerable amount of the over-draft of the Relief appropriation was occasioned by the fact that the State appropriation by which the Towns received a percentage of relief granted was exhausted in April. This made it necessary for the Towns to finance the entire cost from then until the close of the fiscal year on Jan. 31, 1939.

In order that the taxpayers may be acquainted with the change in the Pauper Law relative to settlement the following is self-explanatory:

Domicile. Any person of the age of twenty one years who shall have had his domicile in any town in this state for five consecutive years shall thereby gain a settlement in such town. Section 2. Abandonment of Domicile: A former settlement shall be lost upon the abandonment for five consecutive years of the domicile by which the settlement was gained. Section 3. Assistance to Paupers. Any settlement obtained under the provisions hereof shall be lost by any person who has been assisted as a pauper for five consecutive years. Therefore, County cases

are those persons who have lived within the Town for five years and have received relief yearly during that time. Town cases are those persons who have gained a residence by living in the Town five consecutive years but who have not been assisted yearly during that time. Consequently, in order that a permanent record be kept in order to determine the status of any person on relief it is necessary that the names and classifications appear yearly in the Town Report as follows:

REPORT OF

HEALTH

DEPARTMENT

REPORT OF HEALTH DEPARTMENT

To the Selectmen and Citizens of Hudson:

I have the honor to submit my report for the year ending January 31, 1939.

Again this year, we only had one case of reportable contagious disease (a case of Scarlet Fever) and only one quarantined.

I again wish to ask all persons using the Public Dump to put their rubbish over the edge of the dump, for those who carelessly dump on top of the dump have to help pay in their taxes the cost of having it put over the edge.

One case of violation of Health Regulations was taken to Court. A decision in the town's favor was made in local Court. This was appealed thru to the State Supreme Court, and each time a decision was made in favor of the town.

Many of you do not realize the scope of and the many duties that are being put onto the Health Officers of the towns.

I am listing a few of them for your information. The duties of Health Officer, under the various laws, include: Investigation and Abatement of Nuisances and Complaints; Investigation, Quarantining and Reports of Contagious Diseases and Enforcement of the laws relating thereto; Various Kinds of Inspections, and any other matters concerned with protection of Public Health; Water Supplies, Toilets, Pollution of Public Waters, Inspection of Barber Shops and Eating Places, and where no Plumbing Board, to inspect all new plumbing.

During the flood of 1938, there were 15 cellars flooded and assistance was given to ten of these home owners in draining their cellars. The drainage ditch running from the Gregis place to the Hardy land was cleaned of grass and dirt to its original depth, draining many pools that were breeding spots for mosquitos, etc.

Health clinics were conducted in May, 1938, in the Grange Hall, one hundred and six children being examined. Two series of Mothercraft Lectures given there were under the auspices of the State Board of Health and supervision of Mrs. Marie L. Fahey, R. N.

A Dental Clinic was also conducted on June 23 and August 25. Forty-one children were treated at these clinics.

I herewith submit a list of some of the complaints and work done the past year.

The total cost of storms, hurricane and flood is \$3,299.42. There being no appropriation for this amount it is naturally an over-charge and must be applied in this year's warrant or some subsequent warrants. In order to prorate the burden so that the tax rate for 1939 will not be increased excessively it is proposed that the amount in question be taken up in serial notes over a period of six years.

Hudson, N. H., February 24, 1939

We have this day examined the accounts of the Road Agent of the Town of Hudson and have found them to be correct and properly vouched.

FORTY-SIXTH
ANNUAL REPORT

of the
Trustees, Treasurer and Librarian

of the
PUBLIC LIBRARY

For the Year Ending
JANUARY 31, 1939

BOARD OF TRUSTEES

ELIZA B. LESLIE,	Term Expires March, 1939
FRANK A. CONNELL,	Interim Appointee
HENRY O. SMITH,	Term Expires March, 1941
Halga H. Durivage, Librarian	

TRUSTEES' REPORT

During the year, an electric clock has been installed, the gift of Mrs. Jessie Hills, who has also, as is her custom, provided us with several magazines. A beautiful lamp is a gift from the Fortnightly Club, to whom, as to Mrs. Hills, we wish to express our appreciation.

The report of the Librarian shows the very considerable use made of the facilities afforded by the library. With the opening of the new school building it is hoped that the students will even more generally avail themselves of these proffered facilities.

ELIZA B. LESLIE,

FRANK A. CONNELL,

HENRY O. SMITH,

Library Trustees.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the I. O. O. F. Association Hall in the said district on the 18th day of March, 1939, at 2:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the School District will vote to hold the annual School Meetings, in the future, in the new Junior High School Auditorium.
10. To see if the School District will vote to use a check list at future School meetings.

11. To see if the School District will vote to raise and appropriate \$100 to aid in the continuation of the Nursery School.

12. To see if the School District will authorize the School Board to sell, or otherwise dispose, of the Portable building.

13. "To see if the district will vote to hold all future annual district meetings in conjunction with the annual Town meeting", upon petition of Arthur E. Fuller and ten others.

14. To see if the School District will authorize the School Board to give the use of certain land, situated on Oakwood St., between First St. and Second St. for the construction of a building by the Hudson Youth Association, for the use of all youth organizations in Hudson, upon petition of Lester E. Gove and others.

15. "To see if the district will vote to elect officers by use of the Australian Ballot system, the names of candidates to appear upon ballot in use at the Town meeting in a special column provided for that purpose. Candidates for all school district offices shall be required to file with the district clerk at least two weeks before the Annual Town Meeting," upon petition of D. S. Selvis and others.

16. To transact any other business that may legally come before the meeting.

Given under our hands at said Hudson, this 28th day of February, 1939.

Report of School Board

At the last regular school meeting, the School Board, supplemented by three other members, was authorized to study the housing conditions in Hudson and to make such recommendation for added facilities as they deemed necessary. When it was announced that more funds would be available for a P. W. A. grant from the Government, this committee took the necessary steps to make application for a grant.

The first requirement of the Federal Government was an outline of the proposed building, with need for the same. When the plans were sufficiently completed and an authorization for a grant had been approved by the Federal Government, a special School District meeting was held and the building committee was authorized to have constructed a six room Junior High School building with facilities for Domestic Arts, Manual Training, Science and a combination auditorium-gymnasium. The Project not to cost in excess of \$85,000.

After many meetings and after viewing school houses of recent construction in various places in the state, the plans and specifications were completed. These plans and specifications were then approved by the State Department of Education and by the Federal Government.

Bids for the construction of the building were then solicited through advertising in the state papers, as required by the Public Works Administration, and the contract was awarded. Work on the building is now progressing at a fast rate and it will be completed for use when school opens in September. The seventh and eighth grades will be moved from the present Webster School building to the new school and this will permit the closing of the Portable and the I. O. O. F. rooms.

During the year, No. 9 school house, on the Derry Road, was sold to Mr. Grant Jasper. A coal stoker, using buckwheat

coal, has been installed in the Center building. It has greatly reduced the required janitor service. It has reduced the fuel expense in this school and keeps the school rooms at a more uniform temperature.

Respectfully submitted,
IDA GATZ,
ROBERT H. HARDY,
HERBERT W. CANFIELD,
School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire

February 13, 1939

To the School Board and Citizens of the Town of Hudson:

Following is my ninth annual report as Superintendent of Schools.

Enrollment January 3, 1939

Grades	1	2	3	4	5	6	7	8	Total
Webster Building	42	41	42	49	63		68	51	356
Portable Building	20	5	5						30
I. O. O. F. Building						35			35
Center School	15	16	7	12	7	12			69
Totals	77	62	54	61	70	47	68	51	490

There are 3 more children attending the elementary schools than on a similar date last year. A total of 178 children have been enrolled in the Junior and Senior High Schools this year. This is the same as last year. It now appears that there will be 130 enrolled in the Senior High School next year, and \$13,000 must be provided to pay for their tuition.

The special School District meeting on August 30, 1938 authorized the construction of a badly needed, new school building to accommodate the pupils in grades 7-8-9. This building will be ready for use in September, 1939.

This will enable the closing of the Portable building and the room in the I. O. O. F. building. The first six grades, with the exception of Hudson Center, will be accommodated in the Webster School.

Present figures indicate that there will be about 325 children at the Webster School and 170 children at the Junior High.

The program of studies for the Junior High School will be practically the same as that offered at Nashua Junior High. Thus our boys and girls will be prepared to enter Nashua High School on the same basis as those entering from Nashua Junior High. By having the ninth grade in Hudson the present break between grade eight and nine, with the necessary adjustment, will be prevented, which will mean greater accomplishment on the part of the individual pupil.

Because of the large number of children who are transported in grades one to eight it will be necessary to have the school hours of the Junior High School conform to those of the Webster School. This will mean that a great many of the boys and girls in grade nine will be able to go home at noon for a hot dinner.

Standard tests were given last year and will be given again this year. These tests serve two purposes: first, as a diagnostic measure to determine the material which the individual child does not know and thus aid the teacher in the presentation of her daily work; second, to determine where the individual child stands in each subject and in the average of his work as a whole, when compared with all of the children in his grade and with thousands of children all over the country who have been given the same test.

An effort is being made to adapt the school work to the individual ability and need of each child.

Respectfully submitted,

FRED W. HALL,
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

February 14, 1939

To the Superintendent, School Board, and Citizens of Hudson, I submit my report as School Nurse from February 1938 to February 1939.

Number of children examined	503		
Number of defective tonsils	19	8	corrected
Number of defective teeth	189	167	corrected
Number of defective vision	18	11	corrected
Number of defective skin	37		
Number of defective cardiac	3		
Number of defective orthopedics	4		

In the fall a general survey was made in the Junior High department. The children and teachers were skin-tested by Doctor Robert Kerr from the New Hampshire Tuberculosis Association. It proved most gratifying to find that of the number tested only fourteen children reacted. Those were X-rayed and physically examined and found to be incipient gland cases, yet they are closely watched and frequently checked upon.

We were fortunate in having the loan of the Audiometer from the State Board of Education thus enabling a more accurate hearing test to be given to the children of grades two through Jr. High.

The regular Thursday morning dental clinic is well attended—169 children having had their work completed in the past year.

Cod Liver Oil is continued in Grades one to six inclusive, this being made possible from donations from parents and the Webster Teachers Association. At Hudson Center, Cod Liver Oil is financed by donations from parents and a card party is sponsored by the Teachers and an interested group in the Community.

The hot lunch is a valuable asset to the children of the Webster School who are unable to get home for dinner.

The fine cooperation of the teachers and parents helps greatly to promote the health program and it is appreciated.

Respectfully submitted,

HELEN J. HOUSE, R. N.
School Nurse
